We offer fully flexible residential packages that are tailored to your needs.

Warwick Schools Foundation provides high-quality residential accommodation within the historic grounds of **Warwick School**, one of the oldest independent schools in the United Kingdom. Situated in the heart of England and within close proximity to **Warwick Castle** and other significant places of historical importance. The Foundation offers guests a unique opportunity to experience British culture while staying in an environment defined by tradition, excellence, and academic distinction.

Why choose us?

- Tailored residential packages designed to meet your needs
- A dedicated team ready to collaborate with you and bring your vision to life
- By choosing us, you are supporting outstanding educational opportunities

“Warwick School was a fantastic venue to host our event The facilities were of a high standard, the lunch was always top notch and the staff were very friendly and helpful”

The Hockey Academy

“The team had the best stay. The kids and staff could not speak highly enough about how welcoming the staff were, especially in the dining room in the morning, but not just here, throughout the day, from in the house, the dining hall the pool the sports hall, everyone was fantastic!”

Radford Swimming Club

Warwick Schools Foundation is one of the largest educational charities in the country. This means that the money you spend with us will help to unlock access to a transformational education for a wider range of young people than ever before.

Our dedicated, experience-led approach can help to transform your residential stay into a lifelong memory.
