## What is "personal data"?

Personal data is information about you from which you can be identified (either directly or indirectly). For example, information about your family circumstances, your financial information and images of you.

## Where we get your personal data from and who we share it with

We obtain your personal data from a number of different sources. We receive a lot of information directly from you, for example, when you complete the registration form. We also receive information from other sources such as our teachers, your child, your child's previous school(s) and / or nurseries, other members of your family, other pupils and their parents, as well as from individuals outside of the Foundation.

We may also get information about you from government and from regulators, for example, from the local authority.

We will also share information with these individuals and organisations where appropriate. For example, if you tell us about something that has happened at home, we may share this with your child's teachers if it is relevant.

The sections below contain further information about where we get your personal data from and with whom it is shared.

## Why we use your personal data and the lawful bases

We use your personal data in order to:

- fulfil our obligations and enforce our rights under our contract with you;
- teach your child and other pupils;
- look after your child and others, including, other pupils and staff;

- enable the Foundation to comply with its legal obligations, support the management and operation of the Foundation and to advance and protect the Foundation's interests, objectives and reputation; and
- fundraise, market and promote the Foundation, for example, by contacting you about fundraising for a new school project.

Our lawful bases for using your personal data are as follows:

- **Contract:** We need to use your personal data to meet our obligations under our contract with you and so that you can meet your obligations to us. For example, we need your name and contact details to update you on your child's progress. We may also rely on this basis if you have asked us to take steps prior to entering into a contract with us.
- **Legitimate interests:** This means that the Foundation is using your personal data where this is necessary for the Foundation's legitimate interests or someone else's legitimate interests.
  - Specifically, the Foundation has a legitimate interest in:
    - educating and looking after its pupils;
    - complying with its contract with you for your child to be at the Foundation;
    - enforcing our rights against you, for example, by contacting you if school fees remain unpaid;
    - investigating if something has gone wrong; and
    - protecting, promoting and improving the Foundation.

This lawful basis only applies where our legitimate interests are not overridden by your interests, rights or freedoms.

It applies to all five purposes listed above.

- **Public task:** This allows the Foundation to use your personal data where it is necessary to perform a task in the public interest or to exercise one of the Foundation's official functions or powers. This basis applies to purposes 2, 3 and 4 above; for example, when we use your personal data to teach and look after your child.
- **Legal obligation:** The Foundation may need to use your personal data to comply with a legal obligation, for example, reporting a concern about your child's wellbeing to Children's Services or in connection with inspections.
- **Vital interests:** In limited circumstances, we may use your personal data to protect your vital interests or those of another person, for example, to prevent serious harm or death.

The section below contains more information about our purposes for using your personal data and the lawful bases.

### Our purposes and lawful bases in more detail

This section provides more detail on the purposes for which your personal data is used, the applicable lawful bases, as well as further information about sources and recipients.

We have used a colour coded system so that you can see which bases we are relying on for each of the purposes described at paragraphs **Error! Reference source not found.** to 49 below. **LI** means legitimate interests, **CT** means contract, **PI** means public task, **LO** means legal obligation and **VI** means vital

1. The Foundation's primary reason for using your personal data is to provide educational and pastoral services to your child (LI, CT, PI).
2. We will use information about you to process your child's admission application. This information comes from admissions forms, your child's previous school(s) and / or nurseries, and sometimes from professionals such as doctors and local authorities (LI, CT, PI).
3. We will hold information about any family circumstances that might affect your child's welfare or happiness. This helps us provide appropriate care and support to your child (LI, CT, PI).
4. We may use medical information about you when necessary to look after your child (LI, CT, PI).
5. We will hold information about any court proceedings, court orders, or criminal petitions relating to you. This is to safeguard the welfare and wellbeing of your child and other pupils at the Foundation (LI, CT, PI).

7. We will use your personal data to take other steps to ensure the safety of the Foundation premises and buildings, for example, by keeping a record of visitors to the Foundation premises at any given time (LI, PI, LO).
8. If there is a complaint or grievance made to the Foundation that involves you, we will use your personal data in connection with that complaint or grievance (LI, PI).
9. The Foundation may share information about you with the local authority to prepare, implement and / or review your child's Education and Health Care Plan ("EHCP") (LI, PI, LO).
10. Where appropriate, the Foundation will hold information about your religious beliefs or other practices. For example, dietary restrictions (LI, PI).]
11. We may use your personal data to help improve the Foundation, for example, to raise money for the Foundation (LI). For more information, please see our Fundraising and Development Privacy notice.

14. We will keep your address details after your child leaves the Foundation to keep you informed about school events and activities, and to follow your child's progress (LI).
15. We may use your personal data when ensuring network and information security, for example, our anti-virus software might scan files containing information about you (LI).

16. We monitor pupils' use of the internet, internet based platforms, and email as part of our safeguarding duties. This may sometimes involve your personal data, for example, if you have sent your child a message to their school email address (PI).
17. We also keep certain information indefinitely for archiving purposes (referred to as "archiving in the public interest" under data protection law) and for historical research purposes. For example, we retain some old images to record what the Foundation was like in the past. Information held in our archive may be made publicly available, but only in compliance with data protection laws (LI, PI).
18. We may use your personal data in connection with legal disputes, for example, we may have to disclose your personal data as part of court proceedings (LI, PI, LO).
19. Financial information
20. We will process information about you for fee payments, and for risk management and compliance purposes. In some cases, we may receive information from third parties such as credit reference agencies or your child's previous school(s) and / or nurseries (LI, CT).

22. We will hold information about bankruptcy petitions and statutory demands, where relevant (LI, CT).
23. We may search the files of licensed credit reference agencies to verify your identity. This also helps us assess your application for a bursary or for credit to defer fees. The credit reference agency will keep a record of this search and your application details, which may be visible to other organisations that carry out searches on you (LI, CT).
24. We may share your personal data with debt recovery agencies if you do not pay our fees or any other sums owed to the Foundation (LI, CT).

As you will see above, in some cases we rely on more than one lawful basis for a particular use of your information.

### **Consent**

We may ask for your consent to use your information in certain ways instead of relying on the lawful bases above (LI or PI). For example, we might ask your consent to send you fundraising information by email.
